

Friday 4th September 2020

Dear Families,

Welcome back to the new school year! It has been lovely to see our year 1 and year 2 children back in school, looking smart and ready to learn. Everyone has settled in well and school has remained a very calm and purposeful environment.

A special thank you must go to the whole staff team who have worked really hard (even through some of the summer break) to make sure the school was ready, creating lovely learning environments and ensuring everything was clean and covid-friendly.

Thank you also to all of the parents for being so understanding of the changes to routines, especially when they need to be changed at short notice.

The EYFS teachers have been busy this week meeting their new hedgehogs, robins and ladybirds on a 1:1 basis before starting 'big school' on Monday. In Year 1 and Year 2, every class has been settling in to new rules and routines with their new teachers and starting our new topic based on the Oliver Jeffers book, 'Here we are'.

We are really looking forward to the academic year ahead. If you have any questions, worries, concerns or celebrations, please do not hesitate to get in touch.

Wishing you a lovely weekend,

The Harnham Infant School Team

Newsletter 1

Reading Records

We are still waiting for our delivery of the new Reading Records for this year. This may take another week or so. If you have your child's old reading record at home, please may this be sent in to school to use temporarily. Thank you 😊

Morning Snacks

Please may you send your child in next week with a morning snack. This must be a piece of fruit or vegetables, fresh or dried. We have been advised that the delivery of the Governments Fruit and Vegetable Scheme will be beginning on Wednesday 9th September. Thank you for your support with this.

Medicines in School

We are still able to administer medication to children in school, for example, antibiotics. A form will need to be completed at the office. We are also able to give children Calpol if they need it for pain relief. Obviously, if a child is presenting with a symptom of Coronavirus, they will be sent home as soon as possible.

Menu for Next Week:

Monday – packed lunches (ham, cheese, or tuna)

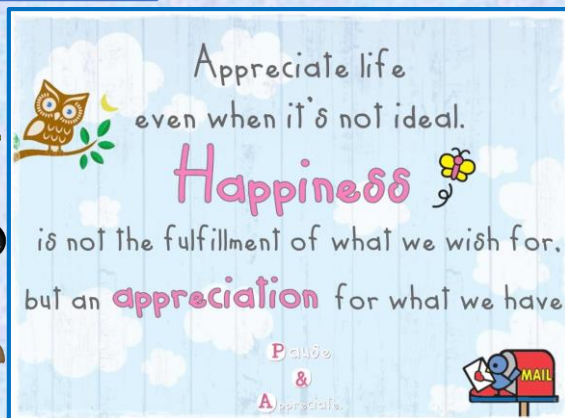

Tuesday – packed lunches (ham, cheese or tuna)

Wednesday – pizza

Thursday – packed lunches (ham, cheese or tuna)

Friday – Hot sausage roll

We are returning to having more hot dinners on offer for the following week. We will let you know the menu choices for this.

Reminder:

The whole school site is a very busy place and is set to get busier as our new EYFS children start full time next week.

Please remember to follow the one-way system on the school site by following the painted arrows and marking.

In the interests of social distancing and following government guidance, if you are dropping off or collecting your child, please do so and then leave the school site straight away.

Something for the Weekend:

Why not celebrate National Fish and Chip Day? Happening tonight... or any treat night over the weekend.
