

Friday 26<sup>th</sup> February 2021

Dear Families,

Welcome back to school and to the first newsletter of term 4. There is a certain lighter feel to the lockdown now that we know for sure that children will be able to return to school from Monday 8<sup>th</sup> March. We are so looking forward to seeing everyone and having our lovely school community back together.

We are sure there must be mixed feelings about the Prime Minister's announcement – for adults and children alike. Perhaps it is an immense relief, maybe you are excited, perhaps fear or maybe even sadness after spending so much time with your amazing children during the lockdown. We just wanted to say that we understand all of these feelings and are committed to making the transition back into full time schooling as smooth as possible for you and for the children. The teaching team are busy planning activities that will be geared towards supporting children, putting their well-being first and allowing them to get back into the routines and expectations of being at school.

Thank you for your continued support and hard work throughout these times – one more week to go!

Wishing you a lovely weekend,

The Harnham Infant School Team

- Is there anything that worries you about a child that you know or have seen?
- Are there arguments next door, where a child lives, that worry you?
- Do you see anxious looks, injuries, or not see the child you know at all at times?
- Is that child left alone for hours at a time, or seen to be uncared for?
- Are there young ones in your street, out after dark alone, without warm clothes?
- Would you like advice?

This week we would like to introduce Laura Pike.

As you know Laura is our Deputy Head and has been a co-opted governor since starting at Harnham Infants in 2017.

Laura is on the Curriculum, Finance and Welfare Committees.

This time I'm not merely licking my paws -  
I wash them with soap, to follow the laws.
